Specialist Activities

Go-Karting Monday 15th Feb (for under 10's) – Go-Karting will delight your child with their first real driving experience. Enjoy the racing and challenges (emergency stops / cones) and compete in a mini Grand Prix, complete with award ceremonies and a lap of honour, finishing on a chequered flag to a chorus of cheers and applause.

Pony Morning Monday 15th & Thursday 18th Feb – For the outdoor type, an opportunity to learn about stable management and pony care including grooming, tacking up and feed. The morning also includes a riding lesson and mini gymkhana.

Fencing Tuesday 16th Feb – Suitable for children who have never experienced fencing before – the class is taught using plenty of games to improve speed and coordination, rules of courtesy and tactical thinking – all that of course while doing plenty of sword fighting.

Kayaking Wednesday 17th Feb – Aimed at children with little or no kayaking experience, these taster sessions are designed to be a fun introduction to basic paddling skills - from learning to travel in a straight line to cornering and reversing - ending with some games and races all within the confines of the indoor pool.

Archery Thursday 18th Feb – Budding Robin Hood or Maid Marian? Come and try the noble art of Archery. No prior experience necessary. Practice on targets and shooting balloons as you improve your aim and confidence (over 8 years only).

Climbing Thursday 18th Feb – If the kids are climbing the walls, let them come and climb on ours. Specially designed for little monkeys, our new indoor climbing wall provides a challenge for the body and the mind. Come and scale new heights (over 8 years only, under strict supervision).

Street Dance Friday 19th Feb – Join in with some of the hottest dance moves in our new 'hip hop' workshop. Join professional dance teacher Kate Hatfield with the latest urban sounds and learn some funky, modern dance routines and improve your rhythm and coordination. Suitable for complete beginners.
