

☀️ CALLING ALL YOUNG PEOPLE IN CRANLEIGH ☀️

Age 10 - 16

Join us at the*Youth Café*

*** Snoxhall Youth Centre * Snoxhall Fields * Cranleigh ***

Thursday 11th February from 3.30pm

Young people in Year 6 and above can turn up at the Youth Café straight from school every Tuesday and Thursday during term time (3.30pm – 5.30pm) - it is a safe place to hang out offering free healthy food, the use of a computer, an indoor sports hall, pool table and a comfy area to relax in. Some evenings are just 'chill-out' nights but on other nights there are organised activities such as art projects, discos or DVD and popcorn evenings

As part of the activities on 11th February there will be another chance to air and share your views on what it is like to be a young person living, socialising and/or going to school in and around Cranleigh and to have a say in what events and activities are organised in the village for young people. It is also a chance for us* to update you on the comments you made at the Youth Talks held in October.
